## ALL ROUNDER & CLUB CHAMPION TROPHIES

The following images are of the Club's perpetual Club Champion Trophy which was reinstated as the Best Allrounder Award for the 1<sup>st</sup> XI in 1983/84 and then repurposed for all Grades in 1984/85. When this trophy was filled in 1997/98, a new one was created in 1998/99 and renamed after Life Member, Premiership Captain and star player of the 1960's; B.F. Joyner, for the Senior Club Champion.

Although not regularly awarded annually prior to 1983/84, the Club also had previously recognised the All Rounder Award at its Annual Awards Presentation Night as follows...

In the era (1924/25 to 1948/49), the All Rounder Award was recognised as greater in honor than the Grade Batting, Bowling or Fielding Award. There are no records of this award from 1949/50 until 1963/64, however it has also been suggested by members from this era that in their collective recall, it was not awarded at all.

\* This appears to have been a 'one off' award as no other All Rounder or Grade Champion Award occurred until 1924/25.
