

A.W. (Tony) Goldsmith

Commenced in 1967; his career spanned over 40 years, mainly in the lower grades. 'Fred' scored over 3000 runs, took over 100 wickets & 180 dismissals at all levels and ventured into the Administration when his brother in law (Peter Clark) took the reigns of the club in the 1970's & 80's. He was Club Treasurer for 6 years and also assisted when Peter Hamilton was ill in 1980. Awarded Life Membership in 1987, illness forced his retirement in 2009 but Tony or 'Fred' as we know him best, is still a presence at the club, after Training and on match days.
