Though unproven to date, it is highly likely that the term 1895/96 – 1900/01 was additionally served by Henry Monk, providing service as FTGCC President for an unprecedented 20 terms.

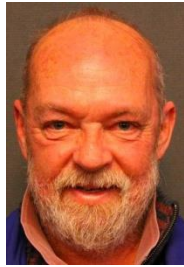

In 1937/38 A.F. Pickett resumed office after the elected President, A.P.F. Vassallo was required to step down to attend to an overseas family matter prior to the season commencing.

Recesses in Club history occurred 1914/15 to 1919/20, 1927/28 to 1932/33 & 1943/44.

It is likely, but yet unproven, that between 1950/51 & 1958/69 other terms were served by Alan Barber & Jack Feaver. Recesses in Club history occurred 1914/15 to 1919/20, 1927/28 to 1932/33 & 1943/44.

HELP WANTED!

As can be seen from the number of images missing (Red Blocks) or Records detailing the Office Bearers of the time (Question Marks), the club has a few gaps in its record of Office.

If you are able to supply information or a photograph of a known Office Bearer, currently missing from our Honor Roll please make sure you contact a Committee Member, or the Club Historian and we will make arrangements to discuss your contribution.

Any supporting evidence, no matter how small or trivial may help complete these records...
