13/1/1893 **BHR** **CRICKET AT FERNTREE GULLY:** A match was played on Saturday 31st December 1892 between the CANTERBURY and FERNTREE GULLY CLUBS'. To aid interest to the game it was decided that one or more councillors should play for each side. CANTERBURY was represented by Cr's McBeath and Scott of Boroondara Shire and Mr. Clayton, Town Clerk of Melbourne while President Kerr wielded the willow for the locals.

The FERNTREE's won the toss and elected to bat with the first representatives being J.S. Crawford and G. Williams. With the score at 13 the former was caught in the slips by Keast off a magnificent leg hit.

J. Doyle joined Williams and at 36 lost his partner, who had scored in anything but his usual style. Ed. Selman joined Doyle, and after making 10 retired lbw with the score at 67. An adjournment was then made for lunch, which was laid out in Mrs. Blair's best style and was thoroughly enjoyed by all. The after dinner speeches were short, Cr. Kerr welcoming the team and the **Captain** briefly responded. A return to the ground was suggested and a start was again made, J. Charman and G. Selman taking their places at the crease with J. Doyle, the not out man being absent.

After running up 20 by free hitting Selman was bowled the score being 100. J. Doyle then continued his innings and at 122 lost Charman who had made 24. M. Doyle joined his brother and was given out lbw for 8 at 153 runs allowing E. Blazey to fill the crease. A prolonged stand ensued with J. Doyle the first to retire when he was stumped off Town Clerk Clayton's slows when his score stood at 125, the total being 276. The retiring batsman played careful and safe cricket and was cheered by one and all on his return to the pavilion.

Cr. Kerr arrayed in full regimentals, bat in hand and confidence in his mien walked to the wickets, carefully took block but was confused by the accuracy of the Town Clerks next delivery which sent him pavilion wards with the enviable 'duck egg' next to his name, the total remaining unchanged.

G. Sharman joined Blazey and at 283 was bowled for 4 and F. Stevens, the last man, made 14 before the innings concluded with him being caught leaving Blazey on 77 not out and the total on a formidable 320.

Ten bowlers were tried but only five succeeded in capturing wickets in the GULLYITES large score. After a brief interval the first representatives of CANTERBURY appeared in the persons of Cr's McBeath and Scott. The former retired with a 'duck egg' with the score on 8.

Town Clerk Clayton was next at the wicket, but immediately lost his partner, he being bowled for seven runs, the total still being 8. Hadlam was next man in but was soon alone as Clayton was caught and bowled by Stevens for 2, the score being 14. McPherson came in next and started batting freely but soon lost Hadlam who was run out for 4 and the total at 14. Keast filled the vacant crease but left soon after caught with three to his credit the total being 31. G. Quartermain started well with a 4 and a 3 but was lbw with the score at 38, his partner not having scored. Douglas came in next and made 4 before being bowled – total 42.

J. Quartermain now joined McPherson and the only stand of the innings was made, the batsmen playing freely but luckily till the latter was well caught at point by Cr. Kerr for 37 – total 84. Moodie made 3 before being bowled and Johnson, the last man made 1; the innings closing for 97, Quartermain remaining 25 not out.

A very enjoyable game thus concluded in favour of the locals by 223 runs with the bowling honours going to Blazey 2/2, Stevens 4/40, Crawford 2/23 and Ed. Selman 1/28. **Refer Scorebook**.

18/1/1893 **DEXP** The cricket match between DANDENONG and FERNTREE GULLY commenced last Saturday (14/1/1893) and will be continued next Saturday at Dandenong. The return match will be played at the Gully.

The cricketers returned home from St. Kilda on Thursday evening (12/1/1893) with their tails down. Had they pulled off that match they intended challenging the AUSTRALIAN XI but recognising that discretion is the better part of valour, the challenge has been postponed indefinitely.

The cricketers were not over pleased at the treatment they got from the DANDENONG players on Saturday – not a scrap to eat nor a drop of anything to quench their parched throats. Of course, they didn't expect a banquet, but some trifling refreshments would have been acceptable after their long journey.

We generally expect a little more life than usual on Saturday's – between cricketing, shooting & c. – but last Saturday was an exception to the rule. The cricketers were away at Dandenong, and there were not sufficient members of the rifle club to proceed with shooting for the club's trophies.

It's amusing to hear some of the "knowing ones" here express their opinions on the cricket contest between DANDENONG and the GULLY. The present match, they say, "Cannot possibly" be played out, and must end in a draw.

In the next match (to be played on the GULLY ground), DANDENONG "cannot possibly win", so that the contest is a "moral" for the GULLY. How these wisecracks will be "sold", if Bobby Burns' words are again realised – "The best laid schemes of mice and men, gang aft a glee, and leave us nought but grief and pain, for promised joy."

DANDENONG vs FERNTREE GULLY: The above clubs commenced a two days match on the local ground on Saturday last (14/1/1893), when some good cricket was the outcome. The visitors batted first and made 143, Ed Selman 59, and F. and E. Lording and G. Williams also batted well. The successful bowlers for DANDENONG were Renfree 3 for 6, Kirkpatrick 2 for 7, I. Keys 1 for 11, I. Evans 3 for 35 and Hyde 1 for 39. DANDENONG have made 58 for three wickets – **Refer Scorebook.**

18/1/1893 **SBMJ** The first match of the season between the DANDENONG first eleven & FERNTREE GULLY CLUBS commenced on the weekend last Saturday at the Dandenong ground and proved an enjoyable game, one of great interest. The visitors batted first, Selman and G. Williams going to the wickets. The former made a very good score of 59 before he was caught, but he should have been given out, in the opinion of most spectators when he had made but a few runs only. G. Williams totted up 12, whilst the other double figures men were F. Lording and E. Lording.

Their total was 143 runs to which in reply DANDENONG have made 3 for 58. The DANDENONG team were strong in their disapproval of several decisions of the FERNTREE GULLY umpire. The match will be concluded next Saturday. **Refer Scorebook.**

18/1/1893 **PTEL** The secretary of the PRAHRAN TRADESMENS CRICKET CLUB desires us to remind members of the trip to Ferntree Gully tomorrow. Tickets for same can be obtained from his office up till 7 o'clock this evening. Train leaves Prahran station at 6.34 a.m. and Richmond Station at 7.00 a.m.

19/1/1893 **DA** The FERNTREE GULLY umpire for the match DANDENONG vs FERNTREE GULLY was very erratic in his decisions on Saturday. He gave Keys out lbw and Wilkinson run out both being doubtful, but they were not as bad as the one he gave Ed. Selman not out. The batsman being fully a yard short of his crease, but the 'umpire' gave him not out. However, with three such decisions, Mr Umpire got the sack, the 'DANDIES' thinking it too much like playing the umpire, which he justly deserves.

We tip the DANDIES to win although the above decisions have greatly handicapped them. We hope the next one will give fairer decisions, which will cause the game to be more friendly and enjoyable. The DANDENONG first eleven continue their match with FERNTREE GULLY next Saturday.

The DANDENONG and FERNTREE GULLY CLUBS started their two days match on Saturday last at Dandenong when some good cricket was witnessed. The GULLYITES winning the toss batted first and made 143 runs. Ed. Selman (with the aid of Mr. Umpire) made 59, and F. Lording, E. Lording and G. Williams also made double figures. **Refer Scorebook.**

At the close of the day's play the scores stood - GULLY 143, DANDENONG 3 for 63, so that a close finish may be anticipated

21/1/1893 **CHRON** The Prahran Tradesmen at Fern Tree Gully. Last Thursday about thirty members of the Prahran Tradesmen's Club spent a very pleasant day at Fern Tree Gully. An early start was made, the party leaving Prahran about half-past six and arrived at the foot of the Gully at half-past nine.

There a capital lunch was waiting, and good justice was done to it, the fresh morning air having considerably sharpened the appetites of everyone present. "Our own Photographer," Mr. Yeoman, made a couple of 'Snap Shots' whilst at lunch, and the result of those, will, no doubt, be seen in a few days. Luncheon over, a start was made up the Gully, our friend Joachim, Snr., volunteering to stop behind and mind the coats and bottles, the remainder moving off at a steady pace, and some who had not been there before, determined to reach the top even if they had to stay in bed all the next day.

But, alas, their good resolutions were like the proverbial pie-crust, and before a quarter of the distance had been travelled mine host of the Royal George and the grocer opposite with one or two others, decided to make a halt and think over it before they went any further.

The remainder, however, struggled on and in good time reached the top, and were amply repaid for their trouble by the splendid view that opened upon them, the day being beautifully fine and clear. A visit was made to Mrs Murphy, and of course the usual soda and milk was obtained. An hour was then spent in roaming about over the hill. About twelve o'clock a start was made downwards, and before long the party left behind were dis-covered napping 'a shilling a corner.' A halt was made here until our friends had concluded their game and then all finished the remainder of the journey together. Friend Joachim was very glad to see us again, after an absence of over two hours. We found everything entrusted to his care quite safe, except the lemonade. This he said the other fellow took away.

After a rest of about half an hour, during which time the bottles were emptied and each of the party supplied with a nice little posy of flowers, a start was again made, and Mrs Blair's hotel reached just in time to have a refreshing wash before the dinner bell rang. At the hotel we found our numbers had increased by other arrivals by the later train, among whom was our genial president, Mr. E.J. Dixon, the Master King, the Ice Cream Man and one or two others. A large marquee had been erected and a splendid dinner set out under its cover, and it need hardly be said that it was thoroughly enjoyed.

After dinner a move was made for the cricket field. We (Obscured) very weak team, only four of the first eleven being present, and these after their exercises of the morning and not feel very anxious for the game. However, it was decided to play and make the best of it. Prahran batted first and were all disposed of for something near one hundred runs, Wallace being the best scorer. The FERN TREE GULLY then went in and were all disposed of for 112 runs. O. Williams bowling capitally, taking 7 wickets for 43 runs. Prahran then commenced a second innings, and by this time some of the gully stiffness had worn away and a much better show was made with the bat, four wickets falling for 70 runs.

An adjournment was then made for the tent, where a capital tea was waiting, and Mrs Blair's scones, salads and her splendid cups of tea were heartily relished. Before leaving the table the President in a very neat speech, congratulated the members on the success of the days outing, and trusted the same good feeling which had always exist amongst the Prahran Tradesmen in the past would continue in the future. Cheers were then given for the president and secretary, and the next half-hour was spent in listening to a few songs, after which a move was made for the train. 'All Aboard' and in a very comfortable carriage, some very good part-singing, led by friend Levy, of the Royal George and the Secretary, was rendered, and the result was a very pleasant journey home. Prahran was reached about half-past nine, and all agreed that this had been one of the most pleasant trips the members of the Prahran Trades-men's Club had ever held.

21/1/1893 **PSTKC** Large write up on the PRAHRAN TRADESMENS vs FERNTREE GULLY match – Refer above.

25/1/1893 **DEXP** At the DANDENONG – FERNTREE GULLY cricket match, played at Dandenong last Saturday (21/1/1893), the conduct of a number of rougns thoroughly disgusted every respectable onlooker. But bad as it was, there was certainly some justification for it, as the decisions of one of the umpires were most erratic.

FERNTREE GULLY vs DANDENONG: The two days match between the above clubs was concluded on the ground of the latter on Saturday last (21/1/1893), the match resulting in a victory for DANDENONG on the first innings by 19 runs – **Refer Scorebook**.

Our cricketers were defeated at Dandenong on Saturday, and Bobby Burns' words came true, as I prognosticated. The defeat they didn't mind much, but the cowardly conduct of the "barrackers" was a disgrace to DANDENONG.

FERNTREE GULLY vs PRAHRAN TRADES: This match was played on Thursday the 19th inst, at Ferntree Gully, resulting in a victory for the home team. In the second innings of the visitors (4 of whose wickets had fallen for 70 runs), Doyle secured all the wickets at a cost of 20 runs – **Refer Scorebook**.

25/1/1893 **PTEL** The FERNTREE GULLY OUTING. Last Thursday about 30 members of the PRAHRAN TRADESMEN'S CLUB had a pleasant days outing at Ferntree Gully...

After dinner a cricket match was attempted with the players of the FERNTREE GULLY CLUB, but ours were too tired after their exertions of the morning, and after a good game, in which our opponents came off best, an adjournment was made for tea, during which our president congratulated the members present on the success of the day's outing and urged all to put their shoulders to the wheel and make the bay excursion a success. The journey home was made pleasant by some good singing, Prahran being reached about 9.30; all agreeing that they had spent a very pleasant holiday, especially the Ice Cream Man and Turkey Lolly.

25/1/1893 **SBMJ** The FERNTREE GULLY vs DANDENONG contest was continued on Saturday Last. The bowling commenced with G. Williams and Crawford opening the attack. DANDENONG totalled 162 (19 more than their opponents) considerably aided by the 32 sundries.

After the usual interval DANDENONG again went into the field and at the call of time the GULLYITES were 3/153 in their second innings with W. Williams 82* and G. Williams 41 the best of the batsmen partnering for 113 runs

The genus 'barracker' does not as a rule use his questionable talent in regard to cricket, generally conserving his strength of lung for use during the months of the winter pastime. An exception was made at the Cricket match DANDENONG vs FERNTREE GULLY last Saturday and the remarks made in many cases were considerably outside the range of fair criticism; a fact which is to be deplored. We do not believe that the players themselves favour this kind of thing, and a little firmness on their part would effectually do away with the ill-timed and nonsensical howling of a few pseudo supporters. "Do unto others &c." might well be applied in this matter.

We would suggest that the return match FERNTREE GULLY vs DANDENONG, which will be played at the Gully on February 25th should be made a three days engagement, in view of the result of last Saturday's game.

From the stand made by the visitors in the second innings, their supporters declare that they must have won had the match been played out, but be this as it may, it would have given general satisfaction had the contest been fought to a finish. The clubs would do well to consider this suggestion, as the match would, in reality, decide the premiership of the district. **Refer Scorebook.**

26/1/1893 **DA** W. Williams of the GULLY club and Bob Kirkpatrick of the DANDENONG club are the most consistent batsmen this season for their respective clubs.

There was great excitement at the DANDENONG and GULLY match on Saturday when the DANDIES innings closed, and we regret to say some of the GULLYITES showed fight however it was stopped before any blows were struck, and umpiring was again of a questionable nature – was this the cause of the coming together!

27/1/1893 **BHR** FERNTREE GULLY vs DANDENONG: This match was continued on the ground of the latter club on Saturday last, and resulted in a draw in favour of FERNTREE GULLY.

The DANDENONG, with three wickets down for 58, continued their innings on a wicket that was a marked improvement on that of the previous Saturday, when the GULLY team batted. The innings closed for 161 or 18 ahead of the score made by the latter, the principal scorers being Kirkpatrick 40, Hyde 46, J. Evans 12, J. Keys 10 and sundries 31.

Hyde should have been caught at slip for 2, and was also out after making 40, knocking his wicket down with his foot when hitting at a leg ball, but neither umpire saw it. The fielding was not good throughout and it was the weakness in this department that allowed the GULLY score to be topped. In the second innings three wickets had fallen for 152, W. Williams 82 not out, G. Williams 41 and E. Selman 22.

This score being made is evidence of the quality of the wicket, the runs being made in about an hour's batting. G. Williams bowled well for the GULLY getting 3 for 33, E. Selman 2 for 26, F. Stevens 1 for 15, Crawford 1 for 21 and J. Doyle 2 for 20. The return match will be played at the Gully on the 25th February and 4th March. **Refer Scorebook.**

Williams playing for the visitors took 7 wickets. **Refer Scorebook.**

The second team of the FERNTREE GULLY played a match against CROYDON, which resulted in a win for the GULLYITES, who scored 3/130 against their opponents 61. **NOTE: This was the second days play with Croydon making 109 in their 1st Innings & FTG declaring at 3/130 after being 1/12 at stumps on Day 1 (14/1/1893).**

1/3/1893 **DEXP** DANDENONG vs FERNTREE GULLY: The return two days match between the first elevens of the above Clubs was commenced on the ground of the latter on Saturday last (25/2/1893). Both teams were about the strongest the clubs could place in the field. The home team was skippered by W. Williams, while Bob Keys led the visitors. DANDENONG batted first and remained in possession of the wickets the whole afternoon, scoring 219 for the loss of 6 wickets – **Refer Scorebook.**

1/3/1893 **SBMJ** The return match between DANDENONG and FERNTREE GULLY commenced last Saturday at the Ferntree Gully ground. DANDENONG were not represented with their full strength side and the news that they had retained possession of the wickets the entire afternoon came as an agreeable surprise to the supporters at home.

The majority of the team went to the Gully in Millet's drag and had a most enjoyable drive. The game was commenced in good time, DANDENONG going to the wickets first. Hyde and Renfree commenced and it could easily be seen that the GULLYITES were would try their level best to retrieve their defeat on the occasion of the previous match. Their fielding and bowling was really first class and any mistakes were at once taken advantage of. G. Williams 2, Ed. Selman 2, E. Lording 1 and E. Blazey 1 took the wickets by time called which saw DANDENONG 6/219. **Refer Scorebook.**

2/3/1893 **DA** DANDENONG batted all afternoon in their match against FERNTREE GULLY on Saturday last registering 6/219 at call of time. The GULLY **Captain** tried all his trundlers to gain the wickets but only 4 were successful, G. Williams, Ed. Selman, E. Lording & E. Blazey.

DANDENONG went to the wicket first, and at the call of time had lost 6 wickets for 219. The match will be continued to-morrow, when the locals hope to down their opponents.

8/3/1893 **DEXP** DANDENONG vs FERNTREE GULLY: The two days match between the first elevens of the above Clubs was continued on the ground of the latter on Saturday last (4/3/1893).

Rain fell heavily during the forenoon, and it was feared that the match would have to be postponed, but the weather cleared up after lunch, and when the DANENONG players arrived at about 3.30 the ground was in fairly good condition, and play was resumed shortly before four. When the stumps were drawn the previous Saturday, DANDENONG had six wickets down for 219 runs, and continuing their innings last Saturday, they increased their score to 263, towards which Ivo Evans contributed 102.

The GULLY players started their innings at a few minutes to five, having about an hour and twenty minutes to bat. It was scarcely possible for them to score a victory, their only hope being to make a draw, which they succeeded in doing. At six o'clock it became so dark that the umpires had a consultation and decided to draw the stumps, the GULLY having 109 runs to their credit for the loss of two wickets. Ivo Evans, R. Keys, G and W Williams and Lording each gave an excellent exhibition of batting while Wilkinson's wicket keeping was first class.

W. Williams and Lording were so well set when play ceased that it is difficult to say how the match would have ended if it had been played out.

Notwithstanding the large score made by DANDENONG, it cannot be said that they had the best of it, as the GULLY runs were made rapidly and only one or two difficult chances were given.

After the match, the two teams assembled in front of Mrs. Blair's Hotel, and having heartily cheered each other, they parted with the best feelings of friendship, the unpleasant events of the previous match having apparently been quite forgotten. As the DANDENONG players drove past the residence of Mr. T.S. Grimwood (President of the GULLY Club) they gave three cheers for that good old veteran – **Refer Scorebook.**

Time was called with the GULLY well placed at 2/109 to which contributions of G. Williams 36, Ed. Selman 13, W. Williams 30* and E. Lording 27* were made.

The DANDENONG 1ST ELEVEN continued their match with the FERNTREE GULLY last Saturday on the ground of the latter. Play was not resumed until late and the DANDENONG batsmen R. Keys and I. Evans who had 44 and 74 respectfully to their credit took their places at the wickets. The former did not greatly increase his score being bowled by G. Williams when he had reached 52. Evans, however, did better, and by vigorous batting carried his score to 102. Hobbs made 5 and A. Evans 6.

G. Williams and E. Selman commenced the Gully innings; the former had the mischance to be run out when he made 36 runs, and Selman contributed a nice 13. W. Williams and Lording remained in possession of the wickets until the call of time, scoring respectively 30 and 27 runs; Two wickets for 109.

9/3/1893 **DA** The DANDIES didn't seem too concerned for accuracy or difficulty in scoring when watching FERNTREE GULLY make a quick 2/109 in the one hour left for batting at the conclusion of their match on Saturday last. The days play highlight was the century of 102 to Ivor Evans of the DANDENONG club, the first of this season. **Refer Scorebook.**

The GULLY team then went into bat and had lost 8 wickets for 213 at the call of time; G. Williams 79, E. Blazey 31, G. Selman 27, J.S. FERNTREE GULLY vs CHATSWORTH: This match was played on the GULLY ground on Monday (3/4/1893) and resulted in a rather surprising defeat for the home team. The first two batsmen succumbed to miss hits to leg off Johnson, and the first four wickets fell for 5 runs. However, it was confidently expected that the team would have no difficulty amassing a respectable total, but the collapse continued, F. Lording with 23 and R. Crawford with 15 not out, being the only ones to get into double figures, the innings closing for 55. In their effort the CHATSWORTH only compiled 62, Murray and Cronin showing good form for their runs.

In their second innings the GULLY compiled 63 runs for two wickets, G. Williams 40 not out, J.S. Crawford 15 and Ed Selman knocking them up in half an hour. The innings was then closed, and with 40 minutes to play the GULLY again took the field and had 7 of the CHATSWORTH down for 45 runs when stumps were drawn in consequence of the bad light 15 minutes before time – **Refer Scorebook.**

Result: Ferntree Gully won on 1st Innings by 3 runs.

NOTE: The S. (Sam) Morris & H. (Harry) Graham playing for the South Melbourne Tradesmen are the same players that represented Australia for 1 & 6 Tests respectively in the 1880's/1890's. Graham made a Century (107) on Debut at Lords in 1893 and another at Sydney (105) in 1894/95. He scored nine 1st Class Centuries including these two Test tons with a highest score of 219 vs Derbyshire in 1893. A few weeks prior to the match against Ferntree Gully he made 202 for South Melbourne against North Melbourne – we were fortunate to get him out cheap!!!

This was a great victory considering only 6 regular players represented the team with even Club President, Tom Grimwood having to take part to ensure sufficient numbers – something's don't change.
