Players with 'shaded' records participated in the most recent completed season

These statistics have been derived from the Club's extensive archive but do not reflect, with 100% accuracy, all 1st XI careers. This is particularly evident for bowling (Balls bowled & Maidens), fielding (Catches) and wicket keeping (Dismissals & Stumpings) records prior to 1962/63, from which point the Club retains every 1st XI Scorebook.

The record from matches played between 1913/14 and 1961/62 have been aided by another dozen or so original scorebooks as well as many complete match records extracted from published newspapers of the area throughout this period. The results of ten 1st XI matches in this period (from 1098 games played to the conclusion of 2019/20) remain unknown to date, as do some scorecard details from the late 1940's, 1950's and early 1960's.

If any reader is aware of the whereabouts of any missing Club scorebooks or can identify errors, corrections or updates that may be made to this document, please contact the compiler via Mobile Phone on 0420 904 467 or via email to sjflemm62@mcservices.com.au.
