ALL ROUNDERS

Keeping All Rounder Records uniform across the club's entire competition history (since 1913/14), when Wicket Keeping and Fielding efforts have been neglected for inclusion in many dismissals, is imprecise. More focus on completing the entire match report and accurate record taking, inclusive of Wicket Keeping and Fielding dismissals, has occurred since the club inaugurated the Club Champion Award in 1983/84 and scorers have become more aware of the requirements for the full recording of matches.

As a general rule – 40 Dismissals is regarded as a benchmark for inclusion in Career Dismissals or Fielding Records, hence the club identifies the All Rounder status applicable to players who have played 100 or more Games, scored 1000 or more Runs, taken 50 or more Wickets and taken 40 or more catches and/or dismissals.

The 66 members who have reached this level at the conclusion of the 2020/21 season are recorded on the next page...

An elite group of 19 of these players; perhaps in a sense the clubs true All Rounders, have gone beyond their peers to play 150 or more Games, score 2000 or more runs, take 125 or more Wickets and be involved in 75 more catches and/or dismissals

150 Gms, 2000 Runs, 125 Wickets & 75 Catches/Dism.

(1.) The closest any player has come to **scoring 100 runs and taking 10 Wickets in the same match**, although a special mention must go to **George McRae**, who in December 1922 top scored in the 1st XI effort of 146 against Wantirna with 48, and then proceeded to take all the wickets that fell to the bowlers in an outright victory. With one wicket Run Out he took the remaining **19 for just 30 runs** including innings figures of **9/19 & 10/11** in without any doubt, the greatest bowling performance in club history

(2.) The only time a player has made a **Century and taken ≥ 7 Wickets in an Innings** in the same match, though **Jack McMahon**; 98 & 8/23 in 1907 (1st XI), **Ron Lienert**; 118* & 6/63 in 1977 (2nd XI) and **Tony Smith**; 244* & 6/42 in 1995 (1st XI) all came within a whisker

(3.) The first and only time (on record) a player has made a **Century and taken ≥ 4 Dismissals in an Innings** in the same match

Fifty & Hat Trick in the same Match

The only time this feat has occurred in Club history was when E.G. (Ted) Beaumont scored **58 in the 1st XI** teams score of 7/260 Dec. on Day 1 of the match (10/2/1934). The match resumed on Day 2 (17/2/1934) with Ted taking 2/3 and helped dismiss Upwey for 53 in their 1st Innings, with one batsman absent.

The Ferntree Gully Captain, George Meredith had no hesitation in sending Upwey back in, and in their 2nd Innings they were dismissed for the lowest score even made against the FTGCC. They were dismissed for just **5 Runs**, with two batsmen absent; one had been felled by Beaumont in their 1st Innings and could not bat in their 2nd Innings.

Beaumont's figures in their 2nd innings were **4/4 including a Hat Trick**, while Jol Rowe took 3/1 and there was one Run Out.
