NOTES:

It is not known how many batsmen were dismissed when the **2nd XI** teams from **1948/49** and **1958/59** were recorded as all out for 8, but it is likely that in both instances the teams batted a player or players short. Undoubtedly, if the scorecards were located for these matches the fall of wickets would not be a pretty sight!

In the **3rd XI** match vs. Boronia Church of Christ (**9/11/1968**) the team were dismissed for 55 runs in the 1st Innings and led by 6 runs from Boronia C of C after they were dismissed for 49 in their first innings. In our 2nd Innings (batting one short), we were dismissed for just 15 runs with the fall of wickets 2, 6, 6, 6, 7, 8, 14, 15 & 15.

In the **2nd XI** match vs. The Basin (**26/1/1987**) the team were at one stage 6/4 and lost the 7th Wicket at 18 but recovered to make 95, with **J.A. McGowan** (65) and **D.P. Stephenson** (10*) combining for a 9th Wicket stand of 55. Their recovery effort was in vain however, as we just lost the match by 10 runs! The fall of wickets was 2, 2, 2, 2, 2, 4, 18, 39, 94 & 95.

In the **6th XI** match vs. The Basin (**24/10/2009**) the team were at one stage 7/11 but recovered to make 63, with **J.W. Bradbury** (24) and **W.R. Pretty** (15) combining for an 8th Wicket stand of 42. Their recovery effort was also in vain as the team reached 63 and lost the match easily when The Basin passed the score two wickets down. The fall of wickets was 0, 4, 4, 7, 11, 11, 53, 57 & 63.
