NOTES:

1. 1933/34 – Weather intervened and with football commencing both team shared the Premiership
2. 1938/39 – Despite being victorious the result was reversed after a protest was lodged by Emerald, as the match had been decided over 4 days instead of the stipulated 3 days. The extra day was played with both team Captains and the MDCA Executive in agreement when the Umpires didn't appear on the third day when overnight rain suggested the day would have been postponed. After Emerald lost the match they protested against the result! Despite the efforts of the Club's administration (including an appeal to the VCA), the MDCA Executive backed down and upheld the protest and Emerald were awarded the victory.
3. 1947/48 – In the first season of the FTGCA the top four teams and bottom four teams played off in separate finals
4. 1982/83 – No results available with the 1st XI Scorebook missing from the Club Archives
5. 1984/85 – FTG were awarded the Premiership after constant rain interrupted three consecutive days and when, on the fourth morning, it became apparent that the wicket had been tampered with. A club member caught the opposition Captain in the early hours of the final Sunday morning altering the pitch and its immediate surrounds trying to drain off the excess water with a shovel!
6. 2002/03 – The RDCA introduced the 'McIntyre System' of finals – i.e. 1st vs 2nd, 3rd vs 4th and Preliminary Final match between the winner of the 1st Semi Final and the loser of the 2nd Semi Final
7. 2019/20 – The Grand Final was shared between Ferntree Gully & Monbulk (who after being defeated by FTGCC in the Qualifying Final, won the Preliminary Final to advance to play Ferntree Gully in the Grand Final), when all cricket was cancelled just prior to the Grand Final commencing when the entire country was paralysed by the COVID-19 Coronavirus

1st XI FINALS DOMINANCE

Two players have made a significant contribution to the record of 1st XI Premiership success at Ferntree Gully in the post War period that puts the club's 1st XI among the most successful in Melbourne suburban cricket, with twenty 1st XI Premierships since the Second World War.

With six 1st XI Premiership's pennants each, Jim Bradley and Andrew Downs's finals efforts reflect on them both being big occasion performers when it mattered most...

JAMES R.A. (JIM) BRADLEY Joined the club after the Second World War and set about tearing apart opposing batting line ups in a devastating new ball partnership with Alan Barber. They were supported by Wal Tew nearing the end of his career, Roy Sidebottom and Arthur 'Snowy' Hicks, both of whom had also joined the club after WW2. They combined to destroy most opposition teams at one time or another in the post war decade. Jim's effect was greatest in the matches that counted, helping the club to win six Premierships in the late 1940's and early 1950's.

- 1946/47 – Jim scored 50 (from 209) and took 4/36 to help the club win its second premiership
- 1947/48 – Jim took 5/21 & 6/17 (Inc Hat Trick) – 11/48 from 23 Eight Ball Overs in the Semi Final match against UFTG, then top scored with 94* (from 204) in the Grand Final victory over The Basin
- 1948/49 – Jim scored 51 and took 2/10 in the Grand Final victory over Bayswater
- 1949/50 – In an incredible Final series Jim took 5/27 & 5/34 – 10/61 in the Semi Final match against Wantirna and then 4/25 & 7/16 - 11/41 in the Grand Final match against Bayswater giving him 21 wickets for 102 runs in the final series – a performance unrivalled by any Grand Final bowler in local outer eastern suburban cricket history
- 1951/52 – In the Semi Final, he scored 35 and took 8 wickets (4/24 & 4/35), while in the Grand Final he again dominated with the ball taking 5/30 & 5/38 – 10/68 in the match to lead the club to victory against FTG Footballers, and wrap up another finals series with 18 wickets for 127 runs

ANDREW R. DOWNS Joined the club from Knox City in 1990/91 and carved out a career as arguably the best cricketer to ever play for Ferntree Gully before taking up a coaching role elsewhere in 2004/05. His influence over the 1st XI resulted in direct contributions to six 1st XI Premiership pennants, twice Runners Up, and finals participation in 11 of the 14 seasons he spent at the club.

- 1992/93 – Andrew announced himself with 7/65 from 30 Overs in the Semi Final against Upper FTG and then backed up with a match winning double of 94 (from 183) & 7/66 from 32.4 Overs in the Grand Final victory against Upwey Tecoma
- 1994/95 – Andrew scored 54 and took 4/98 in a losing Semi Final against Wantirna South
- 1995/96 – Andrew tasted Premiership success again with 78 (from 217) and a magnificent 8/53 in the victory against Norwood
- 1996/97 – Andrew assured a Semi Final victory against Ainslie Park when he took 7/44 from 23 Overs, though the Grand Final was a disappointment as we went down to Croydon North by just 27 runs
- 1997/98 – Andrew scored 47 in the Semi, though suffered the pain of back to back Grand Final losses to Croydon North – this time by just 22 runs
- 1998/99 – Andrew dominated the Semi Final win over Ainslie Park taking 8/41 from 26.3 Overs and then 4/52 in the Grand Final win over Kilsyth – our fourth successive Grand Final appearance book ending the two previous years losses with another premiership victory
- 2000/01 – After a horror time in 1999/2000, when the 1st XI finished 8th, Andrew accepted the club coaching role in 2000/01 and had immediate success with a Premiership pennant. He smashed Lilydale with 107 (from 8/260) in the Semi Final and scored 68 and took 5/65 from 21.5 overs against Kilsyth to ensure another premiership success
