NOTES & DEFINITIONS

PRE COMPETITION ERA (ARRANGED MATCHES)

Records **highlighted in grey** occurred in matches and seasons when the Club Secretary arranged matches prior to the Club commencing formal competition cricket in **1913/14** when it affiliated with the Reporter District Cricket Association (now known as the Box Hill Reporter District Cricket Association or BHRDCA: the longest running hard wicket competition in Victoria.)

GRADINGS

At the commencement of the 1977/78 season the FTGDCA moved from coir matting to synthetic rubber wickets in the Senior Grade. Only the six clubs who had already laid the synthetic rubber surface; including **Ferntree Gully CC**, affiliated in "A Grade".

The following season: 1978/79, saw the removal of the "A Grade" title when Neil Neilson Holden (a large Ferntree Gully based Holden motorcar dealership) sponsored the "Neilson Shield" and "A Grade" became the second grade, "A Reserve" the third grade, "B Grade" the fourth grade etc. In 1979/80 "Neilson Shield Reserve Grade" replaced "A Grade" as the second grade, with "A Reserve" remaining the third grade, "B Grade" the fourth grade etc. Since then, the Premier Grade has, at various times, been named after Association Sponsors who have included Topline Sports (Topline Shield), Chandler Shield and Knox Tavern (Knox Tavern Cup). Since 2012/13 the Premier Grades have been named after two long standing Association officials: Norm Reeves (Reeves Shield) and Bob DeCoite (DeCoite Shield).

RECREATION RESERVE

After the construction and opening of the **#1 or 'New' Oval** at Ferntree Gully in 1980/81, the original or **'Old' Oval** is now referred to as the **#2 Oval** while records applicable to the Ferntree Gully Recreation Reserve prior to construction of the #1 Oval i.e. **before 1980/81** are simply recorded as the **Ferntree Gully Recreation Reserve**. The 1980/81 season also saw the introduction of synthetic carpet wickets

In 2010/11 the Ferntree Gully Recreation Reserve was renamed the **'Wally Tew Reserve'** on the occasion of the 30th Anniversary of the opening of the #1 Oval and the **'W.H. Tew Pavilion'**. The Ovals are now known as **Wally Tew Reserve #1 Oval & #2 Oval** respectively

Some cricket terms have debatable origins and meanings; however, definitions used in this volume are as follows...

BATTING THROUGH DAYS PLAY / INNINGS

- **Batted through the Days Play:** A batsman who opens the innings (batsman 1 or 2) and who remains not out when the final ball of a full day's play is bowled
- **Carried Bat:** A batsman who opens the innings (batsman 1 or 2) and either...
 - is not out as the 10th wicket falls, or
 - remains not out in an innings that is closed
- **Batted through the Innings:** A batsman who opens the innings (batsman 1 or 2) and either...
 - is not out as the 10th wicket falls and the team is dismissed 10 wickets down

BALLS PER OVER

The following Balls/Over Record applies where performances including Overs & Maidens are identified in this document...

- Records **before 1888/89** – Overs were 4 Balls
- Records **from 1888/89 until and including 1914/15** – Overs were 6 Balls
- Records **from 1915/16 until and including 1978/79** – Overs were 8 Balls
- Records **from 1979/80 until present** – Overs were 6 Balls

When applicable Overs & Maidens are recorded where reported or where extracted from the Club's extensive Scorebook deposits

THE HAT TRICK

- **Hat Trick:** Three wickets taken by a bowler in successive legal deliveries within a match or matches. The deliveries may be split by the end of an over or end of the first innings, concluding in the next innings or next match.
- **Double Hat Trick:** This term is not recognised in these records. Successive wickets taken in more than three balls are recorded as specific events, but still recognised as a Hat Trick... e.g.
 - 4 wickets in 4 balls
 - 5 wickets in 5 ball etc.

BRIEF HISTORY

- The oldest sporting club in the City of Knox (operating from 1882/83, formally founded 1889/90)
- Located at the 'W.H. Tew Pavilion', on the Ferntree Gully Recreation Reserve (Est. 1913), now known as Wally Tew Reserve – corner Brenock Park Drive (Formerly Lysterfield Road) and Glenfern Road (Enter from Glenfern Road)
- Fields Senior, Veteran (Over 40's), Junior, All Abilities and 'Milo' Cricket teams ranging from 8 to 17 years of age
- Affiliated with the Ferntree Gully & District Cricket Association (FTGDCA)

After cricket was first recorded in the area in the summer of 1877/78, the FTGCC was founded in the early 1880's, and has prospered since, except for cessations during World War I (1915/16 – 1920/21), the Depression era (1927/28 – 1932/33) and World War II (1943/44). After playing arranged matches in the early years (1882/83 to 1912/13), the club first joined competition cricket in the Reporter Cricket Association (now Box Hill Reporter District Cricket Association – BHRDCA) in 1913/14 & 1914/15.

Arranged matches were resumed after World War I in 1920/21 and the Club then affiliated with the Ringwood District Cricket Association (RDCA) in its second season – 1921/22. We switched affiliations between the RDCA (1921/22 – 1926/27, 1934/35 – 1935/36, 1939/40 – 1942/43 & 1944/45 – 1946/47) and the Mountain District Cricket Association (MDCA, 1933/34 & 1936/37 – 1938/39) a few times in the inter war years.

In 1947/48 the club became a founding member of the Ferntree Gully and District Cricket Association (FTGDCA), where it remained until 1992/93, when once again we affiliated with the RDCA; 1993/94 – 2004/05. With travelling times exceeding 45 minutes to some grounds and facing a loss of numbers in junior cricket, the club decided that it would return to the FTGDCA in 2005/06 where it is affiliated today.

Since the first Premiership success in 1933/34 the Club has won 51 Senior grade pennants, 7 Veterans pennants and 24 Junior grade pennants. Over 2,000 players have represented the club in over 6,500 matches since it commenced competition cricket in 1913/14. Prior to 1913/14 the club participated in over 880 'social' or 'arranged' matches.

Many long-time district names and generations of Ferntree Gully families have 'donned the whites' for the FTGCC. These include the Bradley, Bull, Campbell, Clark, DeCoite, Dinsdale, Hamilton, Hill, Joyner, Kirkpatrick, Mastertoun, McGowan, Pickett, Tew and Waters families – most of who have been in the district for 50 or more years.

Since the early 1880's, **182 players** have participated in Senior and/or Veteran's grade cricket on the field for a decade or more and just **50 members** have been awarded Life Membership from the first – A.F. (Frank) Pickett in 1934 to the most recent – **D.G. (David) Morrison** who had his Life Membership bestowed at the **2021 Presentation night**.

F.T.G.C.C. PLAYING FIELDS

Prior to the 1885/86 season the club played on a rough and ready paddock on the western side of the present Club Hotel, which was then known as the Huntingtower Hotel. It is believed this playing field was located where the present Club Hotel car park is now located. Since then, there have been two major locations which the Ferntree Gully Cricket Club has called its home base. The club had its first permanent home in the grounds of the Ferntree Gully Hotel (The 'Middle') where the playing field and pitch was hewn from the 'paddock' between the Hotel and the Ferny Creek and was utilised until the end of the 1910/11 season.

Since 1911/12 the club has been located at the **Ferntree Gully Recreation Reserve** (Formally opened May 25th, 1912) which initially housed one sports ground (the 'old oval'), but since the reclamation of the old Ferntree Gully Shire Refuse Tip site in 1980, now features two cricket grounds – the 'old or Number 2 Oval' and the 'new or Number 1 Oval'.

Within the Reserve, is the club's base – the '**W.H. Tew Pavilion**', named after local identity, club legend, Life Member, and five times Mayor of Knox, **Walter Harry Tew M.B.E.** (b 18/5/1915, d 17/7/2007). Wal's connection with the club spanned over 80 years while his work behind the scenes has left the club with a legacy that will support future generations of sportsmen and women at Ferntree Gully for many years to come. On October 6th, 2012, on the 30th anniversary of the #1 Oval and Pavilion's establishment, and just over 100 years since the reserve first opened, it was renamed the '**Wally Tew Reserve**' in further recognition of his long and significant community contribution.

The playing fields and accompanying pavilion are regarded by the City of Knox as one of its premier facilities within the municipality and the Reserve facilities are used for many community events such as the annual Knox Festival and Christmas Carols by Candlelight functions.

CONFERRING LIFE MEMBERSHIP AT THE FERNTREE GULLY CRICKET CLUB

Life Membership of the Ferntree Gully Cricket Club is conferred at an AGM when the Club Executive, having earlier determined any suitable nominations, puts forward a recommendation to those in attendance at the Meeting, that the nominee(s) be considered for Life Membership.

With the nominee(s) asked to leave the room (if present), the attendees discuss and then vote on the acceptance/rejection of the Executive nomination.

The Life Membership medallion for any accepted nominee(s) is then awarded to the recipient(s) at the next Annual Presentation Night, i.e. held at the end of the following cricket season.

A Life Membership may also be nominated when seconded in writing, by two current Life Members.

Their nomination must pass the Committee for selection and nomination at the AGM and must also be voted on by the members through the process defined above.

PRESIDENT'S AWARD

After the passing of R.J. (Bob) DeCoite A.S.M. in April 2008, a major trophy, struck in 1969 and engraved "The City of Knox Proclamation Trophy" for the recipients of the "F.T.G.C.C. The club reinstituted the award in 2009/10 with many of the previous award winners added to the Trophy honour roll also.

ARRANGED OR 'SOCIAL' MATCHES

From the seasons 1879/80 to 1912/13, for thirteen (13) matches in 1913/14 and seven (7) in 1914/15 and in seasons 1918/19 (1), 1919/20 (1), 1920/21 (4), 1921/22 (7) and 1927/28 (13) the members of the Club played arranged or 'social matches' against visiting teams who took advantage of the opportunity to play a game of cricket and enjoy a 'country' trip and hospitality with a visit to the Dandenong Ranges.

The origins of these matches stemmed from the availability of good accommodation (three hotels) and the proximity of the National Park for any touring parties who travelled out from Melbourne and its surrounding suburbs to the foothills. Many of these parties included cricket teams who would spend the weekend at Ferntree Gully, play a match against the locals and walk the paths of the Dandenong Ranges National Park (first gazetted in the 1880's), visiting Murphy's Store at One Tree Hill and later taking in the view from the Mount Dandenong Lookout back over Melbourne's eastern suburban region.

KEY: P = Played, W = Won, L = Lost, D/A = Drawn/Abandoned, T = Tied, Unk/NR = Unknown Result/No Record

Records associated with these seasons have been extracted from available local newspaper reports and a handful of other archives and are complete where information is recorded, hence the sporadic nature of the season by season game numbers and results obtained. The club resumed cricket, playing arranged matches post World War One, in 1920/21.

When the club went into recession after 1926/27, most of the players represented the local Druid's Lodge team in the 1927/28 season, or played at other local clubs – primarily Upper Ferntree Gully (Est. 1926) who affiliated with the Ringwood District Cricket Association or Scoresby (Reformed 1926) who affiliated then with the Burwood District Cricket Association.

FERNTREE GULLY 'IMPERIALS' CRICKET CLUB

For the seasons between 1904/05 and 1910/11 the Ferntree Gully Cricket Club was called the Ferntree Gully 'Imperials' Cricket Club. Research is yet to reveal reasons why this name was adopted but it is reasonable to assume that it was adopted to reflect both the time beyond the Boer War and the recognition of Australia as an Imperial domain having formed a separation from the British in 1901 when the separate Australian States became the Commonwealth of Australia. These records have been included in overall FTGCC Records.

1. It is thought likely that Henry Monk also served 1895/96 to 1900/01 (6 Terms) which would have seen him serve as President for 20 seasons, a role only interrupted by World War 1, when the club recessed from 1915/16 until 1920/21
2. E.C. (Edwin Charles) Marsh moved from Strathbogie to Ferntree Gully in May, 1897 to take up a teaching position at Ferntree Gully State School (#1307). It is thought likely, given his immediate engagement in the Ferntree Gully community on arriving (as reported widely in the local news), that he may have also been Treasurer for the seasons (or at least some of them), between 1897/98 and 1900/01, after which it is known that he was the Club Treasurer (1901/02 – 1904/05). Currently, the record of Club Office Bearer's between from 1895/96 to 1900/01 is incomplete.
3. Includes current term of Office being served in 2021/22

RECORD OF ANNUAL GENERAL MEETING

Since 1882/83 the club has maintained a strong connection with its primary Administration event – the Annual General Meeting (AGM). Prior to the 1963 AGM, the Minutes (Min.) and many of the notes regarding the yearly AGM were widely reported in the local news, which often featured Office Elections, Financial Reports, and general reports on the immediate past season. The record of the Club's AGM history is provided below.

NOTES:

- In 1880/81 & 1881/82 the minutes of the Scoresby Cricket Club (in recess from 1885/86 to 1925/26) feature details associated with contributors who later became the organisers behind the origins of the Ferntree Gully Cricket Club in 1882/83
- At the end of the 1926/27 season the Club determined not to reaffiliate with the Ringwood District Cricket Association (RDCA) for the 1927/28 season after a dispute with the RDCA went unresolved. Instead, the Club donated its equipment to the local chapter of the FTG Druids, who then affiliated a team in the 'Friendly Society' competition, played between Society teams across Melbourne. As a consequence, no AGM was held in 1928. With the onset of the great Depression in 1929, the Friendly Society competition also recessed, and the Druids team was no more. After a six season recess the Club's main administration force: A.F. (Arthur Francis 'Frank') Pickett, then regathered players, supporters and resources and led the reformation of the Club prior to the 1933/34 season when the Club affiliated with the Mountain District Cricket Association (MDCA)
- In addition to the post 1962/63 AGM Minutes, the Club also holds financial reports from the 1955/56 season, the earliest of which were presented at the 1956 AGM (19/9/1956)

From 1962/63 Minutes of the AGM's (and other Committee Meetings) have been kept by the Club Secretary and these are contained in a series of dedicated Minute Books, retained in the Club Archive.

* Between 1927/28 and 1932/33 the Club folded due to a protest against the incomplete Match between "A" Champions, Boronia and "B" Champions, Ferntree Gully at the conclusion of the 1927/28 Season, which FTG were poised to win. This disbandment was confirmed when the Ringwood Association refused to countenance any protest hearing and was further compounded by the onset of the Depression in 1929.

** In 1935/36 the Club folded just after the Christmas break due to many repeated large defeats and resultant dwindling numbers. They formed again in 1936/37 in MDCA "A" Grade.

* In 2001/02 the 5th XI (OD1 One Day Grade) was withdrawn from the competition after Xmas

** In 2011/12 the DIV 8 competition collapsed before Xmas, when multiple teams withdrew, which required us to affiliate both the 4th & 5th XI teams in DIV 7, with the 4th XI then going onto winning the Division 7 Premiership

*** In 2014/15 The 6th XI (B2 One Day Grade) was withdrawn from the competition after Five Rounds

Premiership seasons are highlighted in the respective successful grades

Since 2011/12 the Club has also fielded non-competition teams below 11 years old. In 2018/19 this level of cricket was rebranded by Cricket Australia as Stage 1 & Stage 2 cricket with modified rules (Softball, 18.1m Wicket etc.). These rules were also applied to the Woolworth's Blast program, in support of entry level cricket (Ages 7 & upward)

Between 1927/28 and 1932/33 the Club folded due to a protest against the incomplete Match between "A" Champions, Boronia and "B" Champions, Ferntree Gully at the conclusion of the 1927/28 Season, which FTG were poised to win. This Disbandment was further compounded by the onset of the Depression in 1929.

Between 1991/92 and 1996/97 the Club supported a Ladies XI for which all the Scorebooks are retained by the club

* In 2001/02 the RDCA trialled an Under 18 Competition for which we retain the Scorebook, Some junior books may be unaccounted for in the above table – awaiting a thorough check

F.T.G.C.C. MATCH RECORDS

The Ferntree Gully Cricket Club commenced competition cricket in the Reporter District Cricket Association (now Box Hill Reporter & District Cricket Assoc.) in 1913/14. The club recessed for periods from 1915/16 to 1920/21 when World War One intervened, 1926/27 to 1932/33 when an administration stand-off between the Ringwood & District Cricket Assoc. (RDCA), Boronia CC and the club occurred, which was then compounded by the Depression of the late 1920's. Another recess occurred in 1943/44 when World War Two intervened.

Until the late 1960's Ferntree Gully, then a relatively new outer eastern suburb of Melbourne, was still very much a country town with many of the local residents and cricket club players descendant from previous generations who had settled in the area throughout the century or so beforehand.

This is reflected in the tables below which highlight instances where a third generation (10 instances) and fourth generation (one instance) have participated in Senior/Veterans XI cricket at the Club

THREE GENERATIONS (GRANDFATHER, FATHER AND SON(S)/WIFE/DAUGHTER)

<u>Oldest</u>		<u>Youngest</u>	<u>G</u>
Jack Clark	Peter Clark	Travis Clark (& Jason Goldsmith – Grandson)	<u>547</u>
Bill Douglas	Glen Douglas	Brenton Douglas	105
Jim Geraghty	Brad Geraghty	Ben Geraghty, Tom Geraghty	96
Frank Hardwick	Noel Hardwick	Damian Hardwick	124
Alan Kirkpatrick	Mick Kirkpatrick	Sandra Kirkpatrick (Wife), Stacey Kirkpatrick (Daughter)	<u>571</u>
Alan Kirkpatrick	Jim Kirkpatrick	Rob Kirkpatrick	264
Charlie Manning	Barry Manning	Peter Manning (& Dean Manning – Grandson)	<u>546</u>
George Pickett Snr.	Alf Pickett	Joe Pickett, George Pickett Jnr., Greg Pickett, Michael Pickett	250

FOUR GENERATIONS (GREAT GRANDFATHER, GRANDFATHER, FATHER AND SON)

<u>Oldest</u>		<u>Youngest</u>	<u>G</u>
George Meredith	Brian Meredith	Kevin Meredith	Tim Black 208

Strong ties also exist between some of these families, where brothers have married sisters of other Ferntree Gully families and some cousins have gone onto represent the club – e.g. the Waters & Crocker families, Batty & Kirkpatrick families, Clark & Goldsmith families, Hamilton & Spencer families, McMahon & Stephenson families et al.

NOTES: Cricket at the 'Ferntree Gully Cricket Club' existed between **1882/83 and 1889/90**, although it is accepted that this body was a 'combine' club, made up of men from the district who also played variously in this time as the Scoresby CC, Scoresby / Ferntree Gully CC, Ferntree Gully / Scoresby CC and other such names representative of the team participating on the day.

In the late 1880's the 'Glenfern Cricket Club' also formed in the district, under the management of T.S. Grimwood, who was licensee of the Ferntree Gully Hotel. At the **1890** Annual 'Smoke' Night (Presentation Night), with the previous iterations of a cricket club extinct, he assumed the name and formally established the 'Ferntree Gully Cricket Club' as we now know it.

In **1913/14** with a new facility, the Ferntree Gully Recreation Reserve, the club commenced formal competition cricket in the Reporter Cricket Association (now Box Hill Reporter DCA). Matches prior to this season were 'arranged' matches.

With the onset of World War One the club recessed between **1915/16 and 1919/20** and then recommenced 'arranged' matches under James Ford's leadership in **1920/21**, with C.E. (Ehrenfreid) Exner as the Club Captain.

In **1921/22** the Club affiliated with the Ringwood & District Cricket Association (RDCA) in its second operational season.

From **1927/28 to 1932/33** the club recessed after a dispute with the RDCA and Boronia CC over a match result against Boronia resulted in the Club withdrawing its affiliation with the RDCA. The recess was further compounded by the economic depression of the late 1920's and early 1930's.

Returning to cricket in **1933/34** the club affiliated with the Mountain District Cricket Association (MDCA) which it left the following season and re-affiliated with the RDCA after being unchallenged and winning the **1933/34 MDCA Premiership**. We then swapped affiliation between the MDCA and RDCA a couple of times, primarily due to dissatisfaction with Association Executive decisions, until **1947/48**. In **1943/44** the Club recessed again for the Second World War.

Just prior to the **1947/48** season, the Club's leadership was instrumental in the formation of the Ferntree Gully Cricket (now Ferntree Gully & District) Cricket Association.

After 46 seasons in the FTGDCA, in **1993/94** the Club again affiliated with the RDCA, after prolonged dissatisfaction with the FTGDCA Executive. We remained affiliated with the RDCA until returning to the FTGDCA in **2005/06**, when travel times and a reduction in Junior numbers in the RDCA saw an obvious decline in Club strength.

In **2021/22** we continue our affiliation with the FTGDCA.

THE FIRST COMPETITION MATCH

After commencing in 1882/83, the Club played social or 'arranged' matches until 1912/13. The first season the Club played in fixtured competition cricket occurred in 1913/14, when we affiliated with the Reporter District Cricket Association; RDCA (now the Box Hill Reporter District Cricket Association; BHRDCA – Est 1890). The first match was fixtured against East Burwood and was played at East Burwood Reserve (now the East Burwood Reserve North Oval) Saturday 4th & 11th October, 1913.

East Burwood won the toss and elected to bat and at the close of play on Day 1 we were well on top having dismissed them for 83. In reply we were 8/157 when stumps was called. Our dominance continued on Day 2 when our innings was closed at 9/163 (George Williams retired hurt while batting on Day 1 for 39). East Burwood (batting two short in their second innings) succumbed to the bowling of Pat Gilchrist and Fred Carrington for just 37, and we had won our first competition match Outright by an Innings & 43 runs.

The "Reporter" newspaper (sponsor of the RDCA), reported on the match with the following comments in its Friday edition of the 10th and 17th October, 1913 respectively...

- **10/10/1913** The first round of the 1913/14 Cricket Season got underway last Saturday and pitted new club FERNTREE GULLY against EAST BURWOOD. At stumps on the first day FERNTREE GULLY dismissed EAST BURWOOD for 83 and was 8/157 in reply
- **17/10/1913** The above match was completed with FERNTREE GULLY the victors Outright by an innings and 43 runs. FERNTREE GULLY 163 def. EAST BURWOOD 83 & 37

THE HOT STREAKS

The best batting & bowling streaks were both performed in 1914/15 by G.J. Williams & L.A. Smith, respectively.

George Williams: Rnd 3 (149*), Rnd 4 (3 & 81), Rnd 5 (0 & 45*), Rnd 6 (63* & 27), Rnd 7 (46), Rnd 8 (109*) & Rnd 9 (114*).

In these **seven** consecutive rounds he scored **637 runs** (> 45 runs in each match) @ **127.4** including **3 Centuries & 2 Fifties**. George ended the season with a Club & 1st XI record **910 runs from 14 Matches @ 60.67**

Len Smith: Rnd 6 (5/39 & 5/26), Rnd 7 (4/16 & 7/57), Rnd 8 (6/19 & 2/13), Rnd 9 (9/28 & 5/62), Rnd 10 (5/23 & 5/42), Rnd 11 (7/27 & 1/68), Rnd 12 (9/18), Rnd 13 (9/40 & 1/16), Rnd 14 (7/8).

In these **nine** consecutive rounds he took **7+ wickets** in every match snaring **87 wickets for 502 runs @ 5.77** including **6 times: 7 Wickets in an Innings & 5 times: 10 Wickets in a Match**. Len ended the season with a Club & 1st XI record of **87 Wickets from 9 Matches @ 5.77**

Both of their efforts from the 1914/15 season remain (as of 2020/21), all-time Club and 1st XI Aggregate Records, and it is highly unlikely they will ever be bettered.

PREMIER'S & CHAMPION'S

On three occasions the 1st XI team has reigned over a season without a loss and ended the year with the title as both the **Premier & Champion** team...

- **1933/34 – 12 Matches played, 9 Won, 2 Drawn and 1 Result unknown**

The result of the Rnd 5 match against Kallista is unknown and may actually not have been played, as it is known that Kallista finished on the bottom of the division without a win and forfeited more than once during the season, while it is also probable that the drawn Rnd 8 match against Macclesfield could have also ended in an Outright victory for FTG as Macclesfield also finished the season near the bottom of the table, however no results from the match on Day 2 have been located to confirm the outcome.

- **1984/85 – 13 Matches, 10 Won, 2 Drawn and 1 Tied**

The Rnd 1 match was drawn against Knox when rain prevented any play in a One Day game. The Rnd 2 match resulted in the second Tied Game in 1st XI history (of only four to occur to the 2020/21 season end). We were dismissed for 140 against Mountain Gate in a One Day game. They were 7/139, needing 2 runs from the final ball of the restricted 36 Over Innings to claim a victory but were unable to score more than a single to tie the match. In the Rnd 10 drawn match Ferntree Gully was in complete control at 4/179 in pursuit of Knoxfield's 7/218 cc with 25 overs remaining, when rain arrived and prevented the match from concluding.

Weather again intervened in the Grand Final against Upwey when rain interrupted play on Day 1, 2 and 4, the final reserve day, and the match was awarded to Ferntree Gully because of our higher ladder position – we had been undefeated all season, finished on top of the H & A ladder and deserved the title as **'Premiers & Champions'**

- **1992/93 – 13 Matches, 8 Won and 5 Drawn**

Of the five drawn matches in a very wet season, one occurred in Rnd 1, which was scheduled to be replayed in February 1993 but was in turn abandoned because of weather intervening, while the Rnd 4 two day match was abandoned because of weather preventing play on both days.

In each of the other three drawn games we were in dominant positions, particularly in the Rnd 5 game vs Rowville when we were 1/15 in pursuit of 74 and in Rnd 8 vs The Basin when we were 5/139 in pursuit of 153. The other drawn match in Rnd 6 also saw us in a dominant position with 296 on the board against Monbulk who were 2/67 off 29 overs, without star bowler Andrew Downs having yet bowled an over. They needed a further 230 of 51 overs when rain again prevented a result.

The 1992/93 Premiership was won in a season that figures large in the 1st XI's most successful streak of **32 matches without a loss**, between **2/11/1991 & 15/1/1994**.

(P) – Promotion Final to Chandler Shield which didn't affect the 1st XI as just prior to the 1994/95 season, Vermont rejoined the BHRDCA creating another vacancy in Chandler Shield which Ferntree Gully filled after the RDCA Executive determined, despite some opposition from other long time clubs, that they would override the existing Promotion & Relegation rule to allow Ferntree Gully to affiliate in Chandler Shield Grade for 1994/95.
