

N.E. (Norm) Butters

Arrived in 1984/85 and has been a key player & committeeman since. A member of the 1984/85 1st XI Premiership team in his first season & in 2009/10 clocked up his 250th match. A miserly bowler with over 370 wickets to his name, with a best of 6/19 from 23 overs. No slouch with the bat, scoring 1900+ runs (H.S. 59) & Captain of Senior & Vets Premiership teams. A Life Member (2006), who's most significant contribution, has been his measured approach as a Committeeman, President & Treasurer, particularly during our return from the RDCA and the amalgamation with Bluebirds CC – it occurred seamlessly and without fanfare – just the way Norm would've wanted it to.
